Conditions of Warranty:

- Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
- This warranty is non-transferable.
- This warranty only applies to products and materials which have been used or installed:
 - strictly in line with the latest Walsc AAC Panel System documentations at the time of installation (available at www.walsc.com.au) and maintained in accordance with maintenance documentation; and

- Except as otherwise stated herein, Walsc/Sipo Building Solutions Pty Ltd warrants Walsc AAC Products against deficiencies for a period of 15 years from the purchase date. No representative of Walsc/Sipo Building Solutions Pty Ltd shall have the authority to make any modifications, representations or oral agreements except as stated herein.
- The original installation of Walsc AAC Products must be free of errors, omissions or poor workmanship, strictly in accordance with Walsc current published documentations, and projects with Walsc AAC Products used are constructed to comply with the Building Code of Australia and all relevant regulations and laws in order for this warranty to be in force.
- The company's entire liability and customer's exclusive remedy shall be, at the company's option, either the supply of equivalent products, or repair or replacement of the product that does not meet this Walsc Product Warranty.
- Walsc/Sipo Building Solutions Pty Ltd reserves the right to modify or discontinue any of its products. In the event the product covered by this warranty is no longer available at the time of a valid claim, Walsc Australia retains the right to substitute a product that in Walsc Australia's determination is of equal grade and quality to the product or any component thereof.
- Walsc Australia shall have no obligation under this warranty unless claimant has promptly notified Walsc Australia in writing. Any claim shall provide the original proof of purchase, detailed defect information and a Warranty Request Form. Walsc Australia must receive such notice within 30 days after discovery of the claimed defect. Failure to notify will result in voiding of this warranty.

You must provide us, or our nominated representatives, with a safe access to the product to assess whether it gives rise to a legitimate claim under this warranty.
- You have rights and benefits under the consumer laws in your jurisdiction. Without detracting from these rights or benefits, Walsc/Sipo Building Solutions Pty Ltd excludes all liability in respect of the Product for any other loss which is not reasonably foreseeable from failures of products, which may include any consequential loss or damage.

- Subject to any statutory rights you may have under the Australian Consumer Law, to the fullest extent otherwise permitted by law and except as specifically provided in this document, the warranties and remedies in this warranty are exclusive and in lieu of all others, oral or written, express or implied.
